EEH_ANN_2324_003 <i>CHC Diploma of Early Childhood Education and Care – Entry Requirements Review</i>	<p>In July 2021, the <i>CHC50121 Diploma of Early Childhood Education and Care</i> was released. An important change to the release of this qualification was the introduction of mandatory entry requirements specifying an individual must have either the <i>CHC30121/CHC30113 Certificate III in Early Childhood Education and Care</i>.</p> <p>This entry requirement does not recognise any previous versions of the Certificate III and/or equivalent qualifications. This has resulted in a barrier to entry to the sector at a time when the sector is suffering skills and workforce shortages.</p>	<p>For review:</p> <ul style="list-style-type: none"> <li>• 1 Qualification</li> <li>• 0 Skill Sets</li> <li>• 0 Units of Competency</li> </ul> <p>See <a href="#">Attachment (A)</a> for list of products being reviewed.</p>	Fast-track 11 months	1 Jun 2024	30 May 2025
